

Guest Lecture

3rd Jan 2020

Shree Naranbhai Lalbhai Patel College of Pharmacy had organized a Guest Lecture on

“Dysmenorrhea: Why suffer silently” in association with Blue Cross Labs, Mumbai.

Dr Urvi Desai, a leading gynaecologist in Janata Hospital, Bardoli was invited as a Guest speaker on this occasion. She addressed the audience about the various issues like leucorrhoea in menstruating girls, teenagers and women. The discussion also covered topics like the hormonal imbalance, diseases like cervical cancer, thyroidism and obesity. The possible causes, lifestyle changes and the medication involved therein was discussed in detail.

This lecture was attended by all girl students, female teaching faculty and non teaching staff.

Later, the representatives of Blue Cross distributed free samples of the drug MEFTAL-SPAS (Mefenamic acid and Dicyclomine Hydrochloride Tablets) and were distributed among girls.

All of the guests were felicitated with memento as a token of gratitude.

Guest Lecture: “ Dysmenorrhea: Why suffer silently”
