

**SHREE NARANJIBHAI LALBHAI PATEL COLLEGE OF
PHARMACY, UMRAKH**

Guest Lecture Report

Date: 24-12-2019

Topic: Basics of Homeopathic system of medicines

Guest Speaker: Dr. Karunakar Desai

Number of Participants: 55

Summary of Lecture:

S.N.L.P. College of Pharmacy has organized expert talk session on Basic of Homeopathic system of medicines for B. Pharm students on 24th December 2019. Homeopathy can be defined as a “Dynamic, Holistic and Vitalistic System of Individualistic Drug Therapeutics, based on the Law of Similars, Potentially capable to cure diseases that are Curable and Relieves Symptoms of Incurable Nature”. Sir has explained the key principle of the system is Similia Similibus Curentur, while the other crucial principles are doctrine of Drug-proving. This concept is now emerging even in biomedicine as personalized medicine (theranostics) as an important factor of diagnostics and therapy of long term diseases and the concept of prescribing medicines having exceedingly low quantity of original medicinal substances is called the theory of minimum dose. This is emerging as Nano pharmacology.

The teaching faculties of SNLPCP and 55 students of B. Pharm. have attended the session. Sir has also detailed the various examples for the same. This lecture will be informative for the students to know about the use of Homeopathic medicines system which helps to cure fatal diseases in this contemporary world.
