NO. Of Participants: 60

Topic: Soft Skill Development

Summary of Session:

Shree Naranjibhai Lalbhai Patel College of Pharmacy has organized expert talk session on Soft Skill Development on 31st August 2019. The teaching faculties of SNLPCP and 50 students of B.pharm and M.pharm attended the session. The objective of this session was to acquaint them with the importance of soft skills in the present competitive world. Today hardskills and experience are not sufficient enough for the ingress and escalation in the corporate world. Employers prefer to hire and promote those person who are resourceful, ethical and self directed with good communication or soft skills.

Dr. Mulchand sen has given a presentation on various soft skills like Body language, Communication, Teamwork, Flexibility, Persuasion, Time management, Motivation, Leadership, Rate of speech, and Preparation of a resume including self-introduction. Along with explaining the importance of how Soft Skills play an important role in professional life, Dr. Mulchand sen also explained how we intend to impart the training for acquiring the same. He illustrated how acquiring these skills are crucial for professional as well as personal development.

The session opened with introducing the realities of the industry; the serious skills gap & shortage found in the industry. Information was disseminated regarding the industry specific soft skills that the evercompetitive industry demands. The entire session being very interactive, students took active part in understanding the topic. Students were motivated, activities were performed among them and their queries were discussed. Overall programme was quite informative and interesting for the students.
