Dr. Paras Patel is pharmacist in Canada. He has completed M. Pharmacy and Ph.D. in pharmacology from India. Dr. Paras Patel sir was deliver guest lecture on **“Scope of Pharmacy and Higher studies in Canada”**. All the students of the Final year & Pre Final year pharmacy student and faculty members attended the talk and interacted with the resource person.

He further talked about the other aspects of preparation & studying abroad such as starting the preparation almost a year in advance, the financial aspects, work aspects, visa, what after once your course is completed, life in Canada. He also took us through various videos of the college on -their current students & their experiences, student’s first impression, festival celebrations & students learning from the course.

Students actually knew the various courses which can be done after their B. Pharmacy graduation course in Canada. Students also knowing various institute and course detail which is best in Canada. This guest lecture will help students to understand subject matter clearly in future also.

We are highly thankful to the Management of SNLPCP, Umrakh for extending help and supportto conduct this Industrial Tour successfully.
