Everyday students performed Yoga under the guidance of Yoga trainer. This year 8th International Yoga Day was celebrated all over the world which is marked on 21st June. The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Shri Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014.

“Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in our physical and mental well-being. Let us work towards adopting an International Yoga Day.”

Keeping this thought in mind, and to emphasize on the benefits of Yoga and various Pranayams, we at Shree NL Patel College of Pharmacy along with our campus institutions Degree Engineering, MBA/MCA, Bed, BBA/BCA have initiated the Yoga session.

Overall, it was a refreshing and re-energizing session both physically and mentally.

MEHNDI

A Miraculous Voice

I started the journey of my dream,
troubles blocked my pathway.
I was scared, afraid and cried too,
Dominance and confidence were lost.

On the brink of defeat came a support,
A miraculous voice became my supporter,
Brought along tears, sweat and efforts,
I resumed walk toward my destiny.

That miraculous voice became my strength,
My self-love, esteem and confidence returned.
Dreaming, I reached the pinnacle of success,
Because of the miraculous voice of own soul.
