Message From Hon. Managing Trustee Shri. Manhar Bhai L. Patel

Shri. Manhar Bhai L. Patel

Reflecting on the past year, I am filled with pride as I consider the collective achievements that have defined our institution's progress. We have demonstrated remarkable resilience, adaptability, and innovation in overcoming challenges, emerging stronger and more united than ever before.

Our faculty members have consistently inspired and guided our students, instilling in them a deep passion for learning and a commitment to excellence. Their dedication and expertise have been pivotal in upholding the high educational standards for which Shree Naranjibhai Lalbhai Patel College of Pharmacy (SNLPCP) is renowned.

I wholeheartedly commend our students for their relentless effort, determination, and enthusiasm. Their active engagement in various academic, extracurricular, and community service activities has enriched our campus life, contributing to a vibrant and dynamic learning environment.

At SNLPCP, we are dedicated not only to academic excellence but also to nurturing well-rounded individuals. Our goal is to equip them with the skills and knowledge needed to make meaningful contributions in their chosen fields and beyond.

Our dedication to forging robust partnerships with leading organizations has created new opportunities for both our students and faculty. Through collaborative research projects, internships, and industry placements, we are preparing our graduates to meet the evolving demands of the global workforce.

As we look to the future, we remain committed to our mission of empowering the next generation of leaders and innovators. Together, we will continue to strive for excellence, embrace change, and make a significant impact on the world.

I extend my sincere gratitude to everyone in the SNLPCP family for your unwavering support and dedication. Your contributions are truly invaluable, and I eagerly anticipate the achievements we will accomplish together in the coming years.

Message from the Secretary Shri. Kirit Bhai N. Patel

Shri. Kirit Bhai N. Patel

In our quest for continual enhancement, we are committed to embracing innovation and adapting to the dynamic landscape of higher education. Through strategic initiatives and alliances, we aim to stay at the cutting edge of educational trends and prepare our students for success in a swiftly changing world.

As we reflect on our successes, we also recognize the hurdles that lie ahead. However, with the collective efforts of our academic community, I am confident that we will surmount these challenges and continue to reach new pinnacles of excellence.

I extend my sincere gratitude to each member of our academic family for your dedication, passion, and tireless efforts in advancing our shared mission. Together, we will continue to inspire, innovate, and make a positive impact on the lives of our students and the communities we serve.

Thank you for your unwavering commitment to excellence. I look forward to celebrating many more milestones and achievements together in the future.

Message from the Co-Secretary Shri. Bharat Bhai S. Patel

Shri. Bharat Bhai S. Patel

As we navigate through these pages, we celebrate not only our achievements but also the values that underpin our academic community: integrity, inclusivity, and a relentless pursuit of excellence. It is through these principles that we cultivate leaders, thinkers, and change-makers who are equipped to address the complex challenges of our time.

Our institution is more than just a place of learning; it is a hub of innovation and discovery. From groundbreaking research projects to transformative educational initiatives, we are dedicated to pushing the boundaries of knowledge and empowering our students to become lifelong learners and critical thinkers.

I am immensely proud of the collaborative spirit that permeates every aspect of our institution. Whether through interdisciplinary research collaborations, student-led initiatives, or partnerships with industry and community organizations, we are constantly seeking new ways to make a positive impact on society.

As we reflect on the past year, we acknowledge the resilience and adaptability that have been essential in navigating the unprecedented challenges we have faced. Despite the obstacles, our academic community has remained steadfast in its commitment to academic excellence, student success, and the greater good.

Looking forward, we are filled with optimism and excitement for the future. With the continued dedication and support of our faculty, staff, students, alumni, and partners, I am confident that Shree Narnajibhai Lalbhai Patel College of Pharmacy (SNLPCP) will continue to thrive as a beacon of knowledge, innovation, and social responsibility.

Thank you to everyone who has contributed to our success and who continues to champion our mission. Together, we will continue to inspire, innovate, and make a difference in the lives of individuals and communities around the world.

Message from office Superintendent Mr. Savan B. Patel

Mr. Savan B. Patel

In addition to our administrative responsibilities, we recognize the importance of fostering a culture of inclusivity and support within our academic family. By valuing diversity and embracing different perspectives, we create a welcoming and supportive environment where every member feels respected and empowered to contribute their unique talents and ideas.

I am continuously impressed by the creativity and innovation that our administrative team brings to their roles. From implementing new technologies to streamlining procedures, your proactive approach helps us stay agile and responsive to the evolving needs of our community.

As we strive for continuous improvement, I am committed to providing opportunities for professional development and growth. Whether through training programs, mentorship initiatives, or leadership opportunities, we are invested in helping each member of our team reach their full potential.

I am grateful for the dedication and hard work of our administrative staff, whose behind-the-scenes efforts are instrumental in supporting the academic mission of our institution. Your tireless commitment to excellence ensures that our faculty and students can focus on their work and achieve their goals.

Together, we are shaping the future of our institution and making a positive impact on the lives of those we serve. I am proud to be part of such a dedicated and talented team, and I look forward to the continued success and growth of our academic community.

Thank you for your unwavering dedication and contributions to our shared mission. Your efforts are truly appreciated, and I am confident that together, we will continue to achieve great things.

From Principal's Desk

Dr. Ketan V. Shah

An essential component of society's overall development is education. There is little doubt that education plays a function beyond simply imparting and absorbing theory and knowledge. The real purpose of education goes much beyond merely giving students diplomas and degrees. "By education I mean an all-round drawing out of the best in child and man-body, mind and spirit," as Mahatma Gandhi once stated. The ultimate aim of education is to find the meaning of life and to fulfill oneself, as well as all of humanity. Knowledge, humanity, culture, wisdom, and sharpness are the goals of education; yet, it should be remembered that character is developed rather than given, and knowledge must be earned.

Shree Naranjibhai Lalbhai Patel College assists in the development of a student's personality, extracurricular activities, and overall worldview in addition to its theoretical education. We have all the qualities of a top-notch institution: a well-trained faculty, an extensive library, a placement office, innovative teaching strategies, and freedom to think and express oneself. The goal of higher education in rural areas is linked to employment because it guarantees a good attitude to view the world from a better perspective and to evaluate, identify, and apply a person's ideas in a way that contributes to the positive development of society. I genuinely think that there is more to our college than just education. It offers you an opportunity to develop by providing you with all the tools you need to succeed.

It is a matter of great pride and satisfaction for SNLPCP to bring out the magazine PHARMVIDYA. The college has made tremendous progress in all areas- academic, non-academics, capacity building relevant to staff and students. The College has achieved another milestone in getting NBA (National Board of Accreditation). I am confident that this issue of PHARMVIDYA will send a positive signal to the staff, students and the person who are interested in the technical education and Technology based activities. A magazine is like a mirror which reflects the clear picture of all sorts of activities undertaken by a department and develops writing skills among students in particular and teaching faculty in general. I congratulate the Editorial Board of this magazine who have played wonderful role in accomplishing the task in Record time.

Celebrating Excellence in Academics

1. SSIP 2.0 Grant: An Enrichment for Invention and Research at Our Institute

With a vision to empower the youth of the State unlock their creative potential through start-ups and innovations, the Government of Gujarat has launched the Student Start-up and Innovation Policy 2.0 (SSIP 2.0). The purpose is to encourage them to contribute to sustainable development and inclusive growth, which will help realize the goal of 'Aatma Nirbhar Gujarat'. Thus SNLPCP, intends to frame this policy document to streamline and govern Start-up and Entrepreneurship activities on its premises in line with the National Innovation and Start-up Policy (NISP-2019) of the country and Student Startup Innovation Policy for the State of Gujarat (SSIP 2.0). This policy covers the initiatives which are to be taken by the institute to create awareness among the faculty, staff and students and strengthen the Incubation center at SNLPCP to play the proactive role in incubation of quality start-ups in near future. Furthermore, we believe to provide a conducive Startup Environment to the students will transform their ideas to prototypes leading to successful Startups in future.

Hence, students of the institute were presented their ideas in front of Institute Level SSIP Scrutiny Committee of Shree Naranjibhai Lalbhai College of Pharmacy (SNLPCP) as well as SSIP Scrutiny Committee of Vidhyadeep university.

The event aimed to raise awareness about environmental conservation and promote sustainable practices among the students and faculty members. The event was coordinated by Mr. Bhumin Pathak, under the guidance of the program convenor, Principal Dr. Ketan Shah. We have planted many plants and among them Bergenia ciliata (Zakhm-e-hayat), Bryophyllum pinnatum (Parnabeeja) and Plumbago zeylanica (Chitraka) herbal plants which added their values in health care. And thus, the planting of these species not only added to the aesthetic appeal of the campus but also served as a sustainable initiative towards preserving the environment.

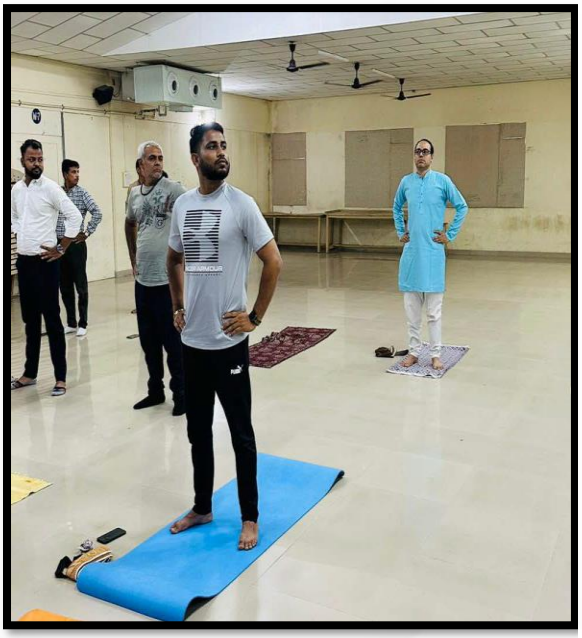

17. Yoga Shibir and 10th International Yoga Day Celebrations

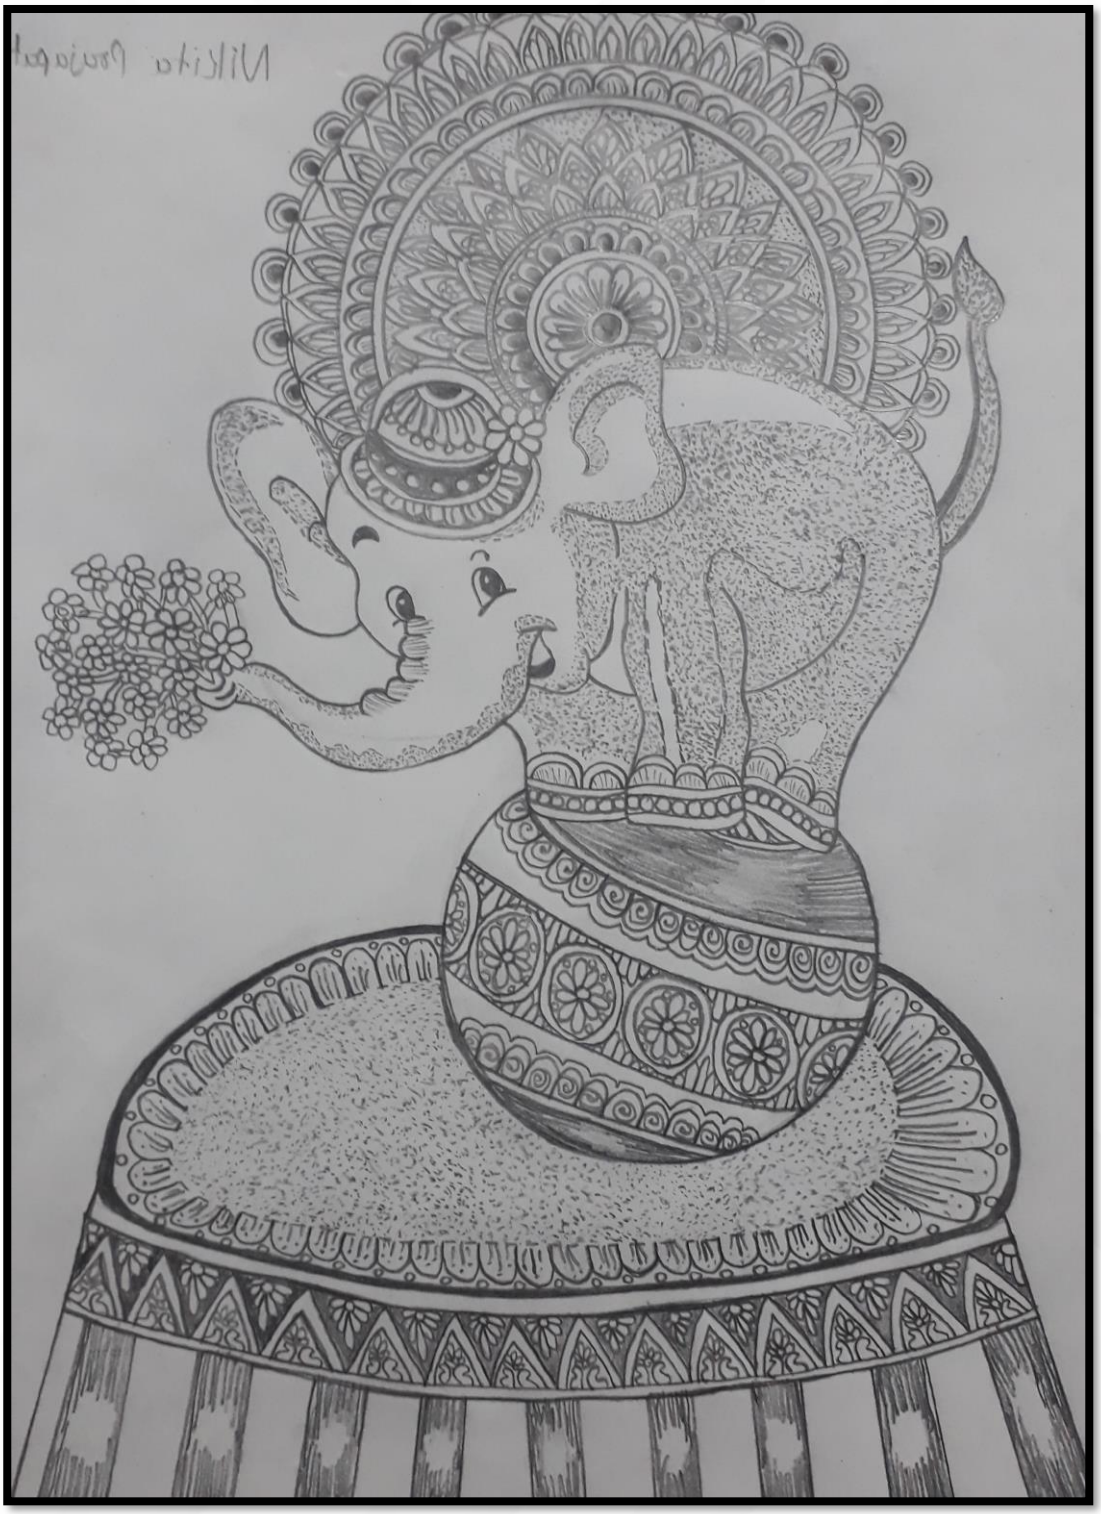

“Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in our physical and mental well-being. Keeping this thought in mind, and to emphasize on the benefits of Yoga and various Pranayams, we at Shree Naranjibhai Lalbhai Patel College of Pharmacy along with our institutions of campus initiated the Yoga session. This year Yoga Shibir was organized in association with GTU in the duration of 14-21 June 2024. Everyday students performed Yoga under the guidance of Yoga trainer. This year 10th International Yoga Day was also celebrated all over the world which is marked on 21st June.
