Environment Day Celebrations & Competitions

Environment Day is celebrated every year on 5th June 2021. To mark this day, various Competitions were held in Shree Naranbhai Lalbhai Patel College of Pharmacy, on 5th June 2021. This year also, the celebrations were visualized by online competitions of students due to the Corona Pandemic.

To generate awareness about the Environment Day, the institute had organized a series of lectures. Mr Yatin Sangoi, was the Guest Speaker of the event. He is a Singer, Entertainer and an Environment Social Activist. He delivered his talk on “ Preserving Planet Earth”. He talked about the plastic pollution and the ways by which we can refuse the use of Single use plastics which are polluting the landforms and the oceans. While our in-house speakers Dr Dipansu Sahu delivered a talk on “Green Chemistry” and Mr Vipul Gajera delivered a speech on “Biomedical Waste Processing”. All these sessions help to generate awareness about Environment in students.

On the occasion of Environment Day, the institute had organized several activities for students. This activity was successful with an exuberant number of online student participations. The students were asked to send the high quality images and a short videoshoot of their activities. The Competitions were organized based on the Environment Day. Students were encouraged to participate in following events : Drawing, Elocution and Quiz Competition These events bring out the creativity and hidden potentials among the students.
