Brief Description of the Event:

World Environment Day (WED) is celebrated annually on 5th June and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1973, it has been a platform for raising awareness on environmental issues such as marine pollution, overpopulation, global warming, sustainable development and wildlife crime. World Environment Day is a global platform for public outreach, with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, non-government organizations, communities, governments and celebrities to advocate environmental causes.

Save Soil is a global movement to address the soil crisis by bringing together people from around the world to stand up for soil health and supporting leaders of all nations to institute national policies and actions toward increasing the organic content in cultivable soil.

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh organized **TREE PLANTATION, MAKING PLACARD, and SAVE SOIL AWARENESS** program on the occasion of world environment day. In this event trustees and principals of various colleges of Vidyabharati trust were remain present. Total 40 students of 2nd semester B. Pharm were participated in these programs.
