A Report on BLOOD DONATION CAMP

Event Name: Blood Donation Camp

Event Date: 17th September 2022

Brief Description of the Event:

**“The Blood You Donate Gives Someone another Chance At
Life. One Day That Someone May Be a Close Relative, a
Friend, a Loved One-Or Even You.”**

**“20 Minutes of your time and 250cc of your blood may make the
difference between life and death”**

The Vidyabharti Trust, in association with Sardar Smarak Hospital Blood Bank and Akhil Bhartiya Tera Panth Yuvak Parishad have organized **Blood donation camp** in the campus premises on 17th September 2022. Blood donation is one of the most significant contributions that a person can make towards the society. There were 100 units of blood collected. The students of different institutions of Vidyabharti Trust generously donated blood and also participated in event enthusiastically. It began at around 9.30 am with lamp lightening ceremony and continued up to 3.00 pm, with a steady stream of donors throughout. The corridor and the Auditorium Hall were abuzz with young students chatting

with each other, happy to be able to play their part in lending a helping hand to people in the region. The donors were provided with glucose water and food including biscuits and light snacks. It was great to see more people than expected to be in the venue. This stretched the capacity of the blood bank, as a result of which the contact details of the donors were taken so as to allow them to donate at the earliest to the blood bank. The samples were carefully sealed and transported away, while the volunteers helped in the cleaning-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors received gift and certificate of recognition by Akhil Bhartiya Tera Panth Yuvak Parishad.
