Visionary in the Mission of Quality Pharmacy Education

Report on Workshop: Report on World Environment Day Celebration

Event Date: 5th June 2023

Brief Description of the Event:

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umraakh, celebrated World Environment Day on 5th June 2023 with great enthusiasm. The event aimed to raise awareness about environmental conservation and promote sustainable practices among the students and faculty members. Participants from the first year of Bachelor of Pharmacy to final year students and Master of Pharmacy students actively engaged in the event.

Attendance:

The World Environment Day celebration witnessed active participation from students and faculty members across different academic levels. Their enthusiasm and commitment towards environmental conservation showcased their dedication to creating a sustainable future.

Program Coordinators and Convenor:

The event was coordinated by Dr. Sonal Solanki and Mr. Bhumin Pathak, who effectively organized and executed the activities. Under the guidance of the program convenor, Dr. Ketan Shah, Principal – SNLPCP, the coordinators ensured the successful implementation of the program.

Activities:

1. **Online Quiz:** To promote awareness about environmental issues, an online quiz was conducted using Google Forms. The quiz covered various aspects of environmental conservation, including climate change, biodiversity, and sustainable practices. The quiz received an overwhelming response, with 209 participants actively engaging in the assessment.
2. **Plantation Drive:** As a significant highlight of the event, a tree plantation drive was conducted on the college premises. Students actively participated in planting saplings, contributing to the greening of the campus and promoting environmental sustainability. The drive aimed to create a greener and healthier environment within the college premises, symbolizing the commitment to preserving natural resources. The plantation drive witnessed the participation of students from different years and faculty members, who actively engaged in the process of planting and nurturing the saplings. The participants showed great enthusiasm and dedication towards environmental conservation, making the drive a resounding success. During the plantation drive, a variety of native tree species were selected, considering their adaptability to the local environment and their ability to provide ecological benefits. The participants were educated about the importance of tree planting, the positive impact on air quality, the preservation of biodiversity, and the mitigation of climate change.

The World Environment Day celebration at Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh, focused primarily on a tree plantation drive, symbolizing the commitment to sustainable practices and the preservation of natural resources. The active participation of students and faculties members in this drive demonstrated their dedication towards environmental conservation and their understanding of the importance of tree plantation in creating a greener future.

We extend our gratitude to all the participants, coordinators, and the program convenor for their active involvement in making the World Environment Day celebration a success. By organizing such events, the college promotes environmental consciousness and encourages sustainable practices among its students and faculty members.

A group of four female students in pink school uniforms are crouching on a grassy area, planting a small sapling. They are smiling and looking towards the camera. The background shows a lush green lawn, trees, and a building in the distance.
