No. of Participating Students: 57 Students (M.Pharm 3rd Sem - 12 Students & B.Pharm 3rd Sem – 45 Students)

Brief Description of the Industrial Visit:

“INDUSTRIAL VISIT”

The visit was organized with the prior permission and guidance of Our Principal Sir, Dr. Ketan Shah and HOD of Quality Assurance (Q.A) Department, Dr. Ashok Akbhari. On date 13th October 2023, Mr. Mehul P. Bagde and Mrs. Priyanka R. Chaudhari along with total 57 students from M. Pharm 3rd Semester and B. Pharm 3th semester visited **SAI SIDDHI PHARMACHEM PVT. LTD. RAJPIPLA**. This plant mainly deals with manufacturing and characterization of tablets and capsules. Students interacted with the pharmaceutical industry personnel to understand different departments and processes of pharma industries with novel approaches. During this visit, students were very eagerly waiting for listening to industrial higher authorities.

The faculty member had an interaction with Plant Manager Mr. Paresh Madhiwala and after that all students were divided in three groups and were headed by industry person. The industry person drove us to visit different departments like the Storage area, Production (manufacturing) department,

Quality control area, Quality assurance department, Packaging and Labelling department, Microbiological Department etc. Students got practical knowledge of material testing, approval and storage in their proper condition. They also gave information of various manufacturing process like granulation, mixing, compression and packaging. It took almost three hours to complete the visit and this was followed by questions of students. This visit helps students to understand subject matter clearly in future also.

We are highly thankful to the Management of Sai Siddhi Pharma Chem Private & Limited and Vidyabharti Trust, Umraha for granting permission and also thanks to Dr. Ketan V. Shah, Principal of Shree Naranjibhai Lalbhai Patel college of Pharmacy for extending help and support to conduct this industry visit successfully.

Major Outcomes of the Visit:

The success of the whole program lies in provoking the thought of industry-institute interaction & opening various avenues to the students
