### A seminar on "Integrating Physiotherapy and Pharmacy: A Holistic Approach to Patient Care"

#### **Brief Description of the Seminar:**

**Date: 07-03-2022**

**Total Attendance: 87 Students**

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh, successfully organized a seminar on "Integrating Physiotherapy and Pharmacy: A Holistic Approach to Patient Care". The seminar aimed to explore how physiotherapy and pharmacy, when combined, can provide a more comprehensive approach to taking care of patients.

The seminar commenced with a warm welcome address by Dr. Jasmina Surati, the seminar coordinator, highlighting the importance of patient's care. Inaugural remarks were delivered by Dr. Rajeshree Patel, Physiotherapist, who shared insights from her 5 years of experience in healthcare, setting the tone for the day's discussions.

Ma'am has explained practical examples, challenges, to Patient Care. For the attendees, this was a special chance to learn directly from expert through real-world stories. They got to see how professionals have successfully mixed physiotherapy and pharmacy for better healthcare results.

#### **Conclusion:**

Our seminar about combining physiotherapy and pharmacy was a big success. It helped everyone see how teamwork in healthcare can make things better for patients. The college is happy to provide these kinds of events, making sure students learn beyond the usual lessons. It gives chance for students to think about healthcare in a new way and get inspired to work together for the good of patients. We're proud to support this kind of thinking and hope it motivates future healthcare professionals.
