Report on Eco-Friendly Festival Awareness Session organized by Vidyabharti Trust, Umrakh

Date: 19th October 2024

Anuvrat Vishva Bharati Society organized an **Eco-Friendly Festival Awareness Session** on **19th October 2024** at the Auditorium Hall, W-Wing, SNPIT&RC, Vidyabharti Campus. The event aimed to promote sustainable practices during festivals and raise awareness about their environmental impact.

The session commenced with an introduction to the importance of celebrating festivals in an eco-friendly manner, emphasizing reducing waste, minimizing pollution, and encouraging the use of natural and biodegradable materials.

Experts from the Anuvrat Vishva Bharati Society delivered insightful talks on topics such as:

- **Adopting eco-friendly decorations** using natural or reusable items.
- **Eco-conscious disposal of waste** generated during celebrations.
- **Reducing noise and air pollution** caused by firecrackers.

Students and faculty actively participated in the interactive discussions and pledged to contribute to a cleaner and greener environment. The event concluded with a commitment to make future festivals more sustainable while preserving their cultural essence.

The initiative by Anuvrat Vishva Bharati Society received immense appreciation, inspiring the attendees to implement eco-friendly practices in their daily lives.
