Report on the Thalassemia Testing Camp

Date: 19th October 2024

Vidyabharti Trust, Umrakh successfully organized a Thalassemia Testing Camp on 19th October 2024 in collaboration with **YGEN Healthcare Pvt. Ltd.,** a GTU Incubated Startup. The event took place at the Auditorium Hall, W-Wing, SNPIT&RC, Vidyabharti Campus, and beginning at 9:30 AM.

The camp aimed to spread awareness and provide early detection of thalassemia among students, faculty, and staff. It was attended by individuals from diverse departments, including Pharmacy, Engineering, Diploma Engineering, MBA/MCA/M.Sc. (IT), BBA/BCA, B.Ed., B.Sc., and GNM Nursing.

Programme was inaugurated in the gracious presence of Dr. Naina Srivastava (YGEN healthcare Pvt Ltd), Principals of various institute of Vidyabharti campus and coordinators. Dr. Naina Srivastava has explained why thalassemia testing before marriage is necessary and also showed the 15 minutes video of Thalassemia Awareness and facts of Thalassemia.

Trained professionals from YGEN Healthcare conducted the testing using advanced techniques, ensuring accuracy and safety. Participants received guidance on the importance of testing and counseling regarding preventive measures and management strategies for thalassemia.

This initiative highlights Vidyabharti Trust's commitment to promoting health awareness and supporting the well-being of its community. The event received an overwhelming response, with many participants appreciating the effort to bring such an impactful health initiative to the campus.

Vidyabharti Trust expresses gratitude to YGEN Healthcare Pvt. Ltd. for their partnership and to all faculty members, trustees, and student volunteers who contributed to the smooth execution of the event. The camp was a significant step towards fostering a healthier society by addressing critical health challenges.
