Report on Industrial Visit at Vapi Care Pharma, Vapi

Date: 11th March 2025

Participants: 8th Semester B. Pharm and M. Pharm Students

An industrial visit was organized by Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh for the 8th semester B. Pharm and M. Pharm students to Vapi Care Pharma, located in Vapi. A total of 110 students accompanied by 4 faculty members participated in the visit, aimed at bridging the gap between theoretical knowledge and practical industrial exposure.

The students were warmly welcomed by the company officials and taken on a guided tour of the manufacturing facility. Vapi Care Pharma is engaged in the production of a wide range of pharmaceutical formulations, including:

Aceclofenac, Paracetamol, Serratiopeptidase Tablets, Amlodipine, and Valsartan Tablets

Ibuprofen and Paracetamol Suspension

Clotrimazole, Betamethasone Dipropionate, and Neomycin Sulphate Cream

During the visit, students observed various stages of pharmaceutical manufacturing such as raw material handling, tablet compression, granulation, coating, liquid formulation, quality control, and packaging. Emphasis was placed on Good Manufacturing Practices (GMP), Standard Operating Procedures (SOPs), and regulatory compliance.

Experts from the plant interacted with the students, sharing valuable insights about formulation development, quality assurance, and the challenges faced in large-scale pharmaceutical production.

The industrial visit proved to be highly educational and enriching, providing students with a practical understanding of industry operations, and enhancing their knowledge of real-time pharmaceutical practices. The visit concluded with a group photo and a formal vote of thanks extended to the Vapi Care Pharma team for their hospitality and informative sessions.
