Report on National Students Paryavaran Competition (NSPC) Awareness Drive

Date: 7th July 2025

Venue: Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh, successfully conducted an awareness session on the National Students Paryavaran Competition (NSPC) on 7th July 2025. The initiative aims to sensitize students regarding the alarming effects of climate change and the urgent need for environmental conservation.

Climate change has become one of the most pressing global challenges, leading to frequent cyclones, floods, cloudbursts, forest fires, and more. According to UN data, climate change is responsible for over 150,000 deaths annually across the globe. This calls for immediate collective action to prevent irreversible ecological damage.

The NSPC is organized by Paryavaran Sanrakshan Gatividhi (PSG), an organization working across 500+ districts in India to bring about measurable environmental improvements through awareness campaigns and practical initiatives. The organization believes in empowering the younger generation to become responsible stewards of the environment.

NSPC Growth Over the Years:

2022: Over 55,000 schools and 8,46,000 students participated.

2023: Over 72,000 educational institutes and 6,50,000 students, along with participation from 103 foreign countries.

2024: Over 45,022 institutes and 7,09,173 students, with 107 foreign countries participating.

With each passing year, the participation has expanded, making it a truly global initiative. The upcoming competition, scheduled from 1st July to 21st August 2025, is expected to witness even greater enthusiasm and involvement.

Aims & Objectives of the NSPC:

HARIT – Holistic Actions for Revival of Indigenous Traditions.

Promote awareness among students and citizens regarding the severe threats posed by climate change.

Equip students with the knowledge, skills, and attitude required to tackle and mitigate environmental challenges effectively.

All students were encouraged to take part in the competition and become active contributors to the cause of a cleaner, greener planet. A detailed program outline and guidelines for NSPC 2025 were also shared with the participants.
