Title of the Seminar: ***Clinical Research: Unveiling the Future of Healthcare***

Date: 04th September 2025

Venue: Shree Naranjibhai Lalbhai Patel College of Pharmacy (SNLPCP)

No. of Participants: 95

A seminar on *"Clinical Research: Unveiling the Future of Healthcare"* was organized at **Shree Naranjibhai Lalbhai Patel College of Pharmacy (SNLPCP)** on **04th September 2025** at **10:00 AM**. The seminar was coordinated by **Mrs. Dhara Parekh, Assistant Professor**, who also delivered the welcome speech and warmly welcomed the guest speaker. The participants included **B.Pharm 7th semester students and M.Pharm students**, who attended the session with great enthusiasm to gain knowledge about the field of clinical research and its future prospects in healthcare.

Guest Speaker

The resource person for the seminar was **Mr. Bhargav Amratlal Joshi**, a distinguished professional in the field of clinical research.

- **Qualifications:** B.Sc., M.Sc., Diploma in Clinical Research, and currently pursuing Ph.D.
- **Designation:**
  - Head, **Vedas Clinical Research Solutions (SMO)**
  - Professor, **MITCON Biotechnology & Pharmaceutical Technology Business Incubator**
  - Visiting Faculty, **Indus University**
  - Speaker for various **Clinical Research Seminars**
  - Freelance **SMO Auditor**
- **Experience**: Mr. Joshi has over **4 years of progressive experience** in clinical research, including handling **Phase III, Phase IV, and BA/BE trials** across multiple therapeutic areas such as ophthalmology, psychiatry, endocrinology, and women's health. His expertise also includes **USFDA and sponsor audit handling, site management, pharmacovigilance, regulatory coordination, and academic mentoring**.

The seminar began with a warm welcome and felicitation of the guest speaker Mr. Bhargav Joshi, followed by his insightful lecture on "Clinical Research: Unveiling the Future of Healthcare." During the session, he explained the significance of clinical trials in advancing medicine and shared his practical experiences from more than 20 studies. He also provided valuable information on medical writing, clinical research (CR), clinical data management (CDM), contract research organizations (CROs), regulatory affairs, and the different phases of clinical trials. The session was highly interactive, with students actively participating and gaining exposure to the real-world scope, challenges, and opportunities in this field. Overall, the seminar was very informative and inspiring, enriching students' knowledge and motivating them to explore careers in clinical research.
