On March 6, 2026, the Shree Naranjibhai Lalbhai Patel College of Pharmacy, in collaboration with the Excellence Global Skill Training & Development Organization, hosted an insightful webinar titled "Career Guidance through Financial Literacy." The session, which ran from 01:00 PM to 02:00 PM via Zoom, was led by Mr. Surinder Kumar, a specialized SEBI Trainer. The program was organized under the leadership of Principal Head Dr. Ketan Shah, with support from co-organizers Dr. Harshil Patel and Ms. Nikita Vaghela.

The webinar focused on the vital connection between financial stability and professional success. Mr. Kumar provided practical training on setting long-term financial goals and shared strategies for converting personal liabilities into assets. A significant portion of the discussion addressed the modern challenge of "job hopping" among young professionals, attributing the trend to a lack of financial management which ultimately harms both the individual's career and their organization. Additionally, the trainer provided essential tips on protecting oneself from cyber-crimes. The session concluded by providing participants with "success keys" to help them build a brighter, more secure professional future through informed financial decision-making.
