Fresher's Party Report

Date: 09/01/2026

A Fresher's Party is organized to warmly welcome newly admitted students and help them adjust to the college environment. It provides a platform for freshers to interact with senior students, showcase their talents, develop confidence, and build new friendships. With this objective, a Fresher's Party was organized at Shree Naranjibhai Lalbhai Patel College of Pharmacy to welcome the new batch of students for the academic year 2025. The event was held in the auditorium of W-Wing, which was beautifully decorated with colorful balloons, banners, and vibrant decorations, creating a lively and festive atmosphere. The program commenced with a welcome address by the students of 3rd semester, who warmly greeted the freshers and highlighted the importance of unity, learning, and personal development during their college journey.

Following the welcome speech, several fun-filled and interactive games were organized for the freshers to help them overcome hesitation and interact freely with their seniors. The event also included various cultural performances, such as dance, music, and drama, presented by both freshers and senior students. These performances showcased the creativity and talents of the students and received enthusiastic appreciation from the audience.

One of the most exciting highlights of the celebration was the "Fresher of the Year" competition, where selected freshers displayed their talents through activities such as singing, dancing, acting, and participating in games. Based on their confidence, overall performance, and presentation, titles including Mr. Fresher, Ms. Fresher, Mr. Well Dressed, and Ms. Well Dressed were awarded. The seniors also organized ice-breaking activities to encourage interaction and help freshers build new friendships. The event concluded with an energetic dance session, where seniors and freshers celebrated together, marking the beginning of a memorable and enjoyable college journey. Overall, the Fresher's Party was a vibrant and successful event that made the new students feel welcomed and connected to the college community.
