Navratri Celebration

Date: 17/10/2026

Navratri, one of the most significant Indian festivals, celebrated with immense devotion and enthusiasm across India and among Indian communities worldwide, was commemorated with great fervour at the Vidyabharti Campus. With the kind permission and support of the Vidyabharti Trust management, a grand Garba celebration was organized at the Diploma Engineering College Ground. Students and staff members participated enthusiastically in traditional attire, adding vibrant colours and festive spirit to the occasion.

The celebration commenced with the traditional Garba Aarti performed by the principals and faculty members, amidst beautiful decorations featuring flowers, lights, and colourful rangoli. The atmosphere resonated with the devotional chants of "Bolo Ambe Mata Ki Jai," creating a sense of spirituality and togetherness. The event offered an excellent opportunity for students to connect with their cultural heritage while showcasing their talents, creativity, and enthusiasm through traditional dance performances.

Students from various departments participated wholeheartedly, along with active involvement from faculty members, making the celebration lively, inclusive, and memorable. Social media platforms enhanced the reach of the event, allowing those unable to attend physically to participate virtually and share the festive spirit.

The Navratri celebration concluded as a grand success, reflecting cultural unity, enthusiasm, and community spirit. Sincere appreciation was extended to the Cultural Committee, student volunteers, sponsors, faculty members, and the administration for their dedicated efforts, cooperation, and valuable contributions in making the event a truly memorable experience for everyone.

The Navratri celebration also featured exciting competitions for students and faculty members, adding greater enthusiasm and entertainment to the festivities. Various competitions, including Best Khelaiya, Best Traditional Outfit, and Best Garba Group, were organized to encourage active participation, creativity, traditional dressing, and teamwork. Students and faculty members participated with great excitement, showcasing their dancing skills, vibrant traditional attire, coordination, and cultural spirit. These competitions created a healthy competitive environment and added charm to the celebration. Winners were appreciated for their outstanding performances and enthusiastic participation.
