Topic: Intellectual Property Rights

Summary of Lecture:

Shree Naranjibhai Lalbhai Patel College of Pharmacy has organized expert talk session on Intellectual Property Rights on 27th November 2019. The session was about the basic information related to the various types of intellectual property rights. Mr. Harshal Vashi explained in a simple and perspicuous style about the Patents, method of obtaining Patent, requirements of patentability, copyright registration and IP offices in India. The session was very informative and knowledgeable.

The teaching faculties of SNLPCP and 72 students of B.pharm attended the session and came to know basic information about Patents, Copyright, Trademark, Industrial Design, Trade Secrets and Geographical Indications. Sir has also detailed the various examples for the same. This session will help the students in future in various ways. This session provided the practical tips for application for grant of Patent. Participants are expected to develop conceptual clarity and practical knowledge regarding Intellectual Property Rights. At the end of the session participants have filled the feedback forms.
