Summary:

Shree Naranjibhai Lalbhai Patel College of Pharmacy has organized webinar on ***“PHARMACY PROFESSION AND CAREER OPPORTUNITY”*** on 30th May 2020 under the guidance of principal, Dr. Dhiren P. Shah and Co-ordinator, Dr. Biren N. Shah. Many final year and pre-final year students of B. Pharm and M. Pharm from our and different institutes across the country attended the webinar.

The objective of this webinar was to acquaint them with the importance of pharmacy field in the present competitive world. Students were enlightened with various career opportunities available after their graduation as well as post-graduation in pharmacy.

Mr. Tejaskumar Thakkar, had given a presentation on various career opportunities available globally for the pharmacists. Apart from explaining the importance of how the knowledge of pharmacy play an important role in professional life, he also explained how we can contribute to the society with the same.

Based on the feedback taken from the students, the entire webinar proved to be very interactive. Students took active part in understanding the topic. Students were motivated and their queries were discussed in the live YouTube chat. Overall the webinar was quite informative and interesting for the students.

E-certificates were given to the participants who attended the webinar.
