**Brief Description of the Event:**

On 26 June 2019, the United Nations, governments, non-governmental organizations, the media and citizens around the world will observe the International Day against Drug Abuse and Illicit Trafficking to raise awareness about the impact of drug abuse and illicit trafficking of drugs.

Theme for the 2019 ‘World Drug Day’ – is “Health for Justice. Justice for Health”. The theme highlights that justice and health are two sides of the same coin when it comes to addressing drug problems, and that effective responses to the world drug problem require inclusive and accountable institutions of criminal justice, health and social services to work hand in hand to provide integrated solutions, in line with the international drug control conventions, human rights obligations and the Sustainable Development Goals.

On the occasion of the International Day against Drug Abuse and Illicit Trafficking, “Human Empowerment” campaign, the campaign aims to raise awareness of the need to promote a holistic approach to the addiction treatment based on individual empowerment by integrating the gender perspective.

Through the lenses of a unique concept, Human Empowerment, the campaign will address on the ability to choose by embracing life, promote education and life skills and regain control over your life and individual development.
