Brief Description of the Event:

Every man need the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of CO₂.

As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects.

The NSS Unit of SNPITRC organized “Tree Plantation” programme “One Student, One Tree” as well as “MY EARTH – MY DUTY” under the National Service Scheme (NSS) on Wednesday, 5th June, 2019 in the college premises. It was attended by NSS Programme Coordinator, Principals of all the Institute of Vidyabharti Campus, Faculty Members and more than 100 student volunteers.

Under the Guidance of NSS Program Coordinator, NSS volunteers planted more than 100 trees .The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus.
