Visionary in the Mission of Quality Pharmacy Education

Date: 03-02-2018

Topic: “Current Industrial Practice in Pharmaceuticals”

Guest Speaker: Dr. Milind Pathak and Mr. Milan Sheth

Number of Participants: 140

Summary of Seminar:

S.N.L.P. College of Pharmacy, Umrakh has organized One day Industrial training Seminar on “Current Industrial Practice in Pharmaceuticals” on 3rd February, 2018 in association with Quality Circle forum of India (QCFI). QCFI is recognized as the institution representing The Quality Circle Movement in India and has represented the country in several international forums. Sir has explained about Good Manufacturing Practice (GMP) which is a system for ensuring that products are consistently produced and controlled according to quality standards. It is designed to minimize the risks involved in any pharmaceutical production that cannot be eliminated through testing the final product. Moreover sir has discussed GMP guidelines which provide minimum requirements that a manufacturer must meet, to assure that their products are consistently high in quality, from batch to batch, for their intended use.

The teaching faculties of SNLPCP and 140 participants attended the session. Sir has also explained the various examples for the same. This seminar was enlightening for the students and it will help them in study.
