## **REPORT ON INDUSTRIAL VISIT**

**Industry Name: Gufic Biosciences Ltd.**

**Date of visit: 23-02-2018**

**No of students: 26 (B. Pharm. Students)**

Shree Naranbhai Lalbhai Patel College of Pharmacy, Umrakh has organized a one day Industrial visit at Gufic Biosciences Ltd. on 23<sup>rd</sup> February 2018, for the B. Pharm students.

Gufic Biosciences Ltd. are committed for Innovative and high Quality pharmaceutical and Herbal Products along with a wide range of APIs. It is one of the largest manufacturers of Lyophilized injections in India and have a fully automated lyophilization plant. Its product portfolio includes Antibiotic, Antifungal, Cardiac, Infertility, Antiviral and proton-pump inhibitor segments. They have one manufacturing unit fully equipped manufacturing units. It provides the advanced manufacturing capabilities and processes that create special quality standard products. The reputation of company is built on R&D facilities that are designed to meet Global Standards, accompanied by the Stringent Quality standards which ensure that they deliver the best formulations and products. Students got the knowledge about the formulation development of various solid and semi-solid pharmaceutical dosage forms as per regulatory agency guidelines. Students have also visited R & D division, analytical department and QA & QC departments. This visit helps students to understand subject matter clearly in future also.

We are highly thankful to the Management of SNLPCP, Umrakh for extending help and support to conduct this Industrial Tour successfully.
