

Report on Career Guidance, Training, Placement AY – 2017 - 18

Career Guidance

Apart from routing mentorship program, all students individually gone through counseling done by group of faculty members in sixth semester and final semester. Through counseling, industrial visits and various guest lectures, students explore different possibilities and job responsibilities at industry, hospitals and Drug stores. Students are enrolled in pre-GPAT program in last year and guided whole year till examination for better prospects in post-graduation.

Training and Placement

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrah, facilitates the practice of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students. The training of students schedules every year at the end of program in association with Pharma industry and in hospitals. Apart from outside recourses, every year we are organizing in-campus training and workshop on thrust areas like instrumentation.

We have achieved excellent ratio of placement since last three years. Average more than 88% students in last three years either placed in industry or joined higher education or evolve as entrepreneur.

The placement activities are governed at university level through placement fair and college level as on/off campus interview.
