

## **Report on Career Guidance, Training, Placement AY – 2020 -21**

### **Career Guidance**

Freely from controlling mentorship program, all understudies just gone through coordinating done by friendly event of assets of 6th semester and last semester. Through planning, present-day visits and various visitor addresses, understudies look at changed potential outcomes and occupation responsibilities at industry, focuses and Drug stores. Understudies are taken on pre-GPAT program in last year and composed entire year till assessment for better possible results in post-graduation.

### **Training and Placement**

Shree Naranjibhai Lalbhai Patel College of Pharmacy, UmraKh, works with the demonstration of position of understudies dropping from the Institute other than collaborating with driving affiliations and establishments in setting up of work and getting ready task of understudies.

The getting ready of understudies designs every year around the completion of program in relationship with Pharma industry and in centers. Beside outside recourses, reliably we are assembling in-grounds getting ready and studio on push locales like instrumentation.

We have successfully placed more than 61% understudies in latest three years either situated in industry or joined high level training or advance as financial specialist.

The placement activities are governed at university level through placement fair and college level as on/off campus interview.
